Helping local, adult cancer patients
and their families with
financial, educational, social
and emotional support.

At Angel Foundation you will often hear the words, “How can we help?”

We are a passionate group from our board to our staff to our volunteers and donors.

Our mission is an important one and we are grateful for the support we have received to provide the very necessary services to those facing cancer.

This is the time of year we like to take a moment to evaluate our success over the past year and identify areas where we can improve. 2018 was a great year that provided thousands of families with the support they needed during a really difficult time in their lives.

As we plan for the future, it's clear that Angel Foundation is at an important inflection point. Today, new technologies, social platforms and digital innovations have given us more ways to engage people.

We will be tackling new areas of support and helping people in an even greater way, but most of all, we want to connect with you personally. We want you to know how much we value and appreciate your commitment to the work we do. Your gifts make a significant difference.

We are pleased to present the highlights from our work in 2018 and are thankful to donors, staff and volunteers, without whose generosity of spirit, resources, and passion we would not have such exciting news to share. We work to continue to strengthen the organization and position Angel Foundation for continued growth.

For those of you who have tirelessly committed time and energy to the success of this organization, we thank you. For the many of you who are new, we welcome you. We look forward to working with all of you on this important cause.

“On behalf of Suburban Imaging and Midwest Radiology, we are proud to support such a wonderful organization. From providing support to families for non-medical needs, to my favorite, Camp Angel, where kids can be kids, but also be equipped to learn what is happening to a loved one in their life, we believe in the mission of Angel Foundation and look forward to seeing this amazing organization continue to grow!”

Angel Foundation would also like to thank all our supporters who either gave anonymously or contributed less than the amounts listed in this report. These gifts totaled more than \$285,000 and were critical to the delivery of our programs. In the interest of conserving financial and environmental resources, their names do not appear in this annual report.

We would also like to thank all who designate Angel Foundation in their employer's United Way or other workplace giving campaigns. Additionally, we are grateful to all who attended our events, shared our message with others or supported Angel in any way. You are all important and help us provide quality programming for adults and families in our community who are facing cancer.
