# Wow, what a year!

**David M. Becker**  
President & CEO

**Cindy Chandler**  
Chair

Smiles, tears, excitement, heartfelt stories, innovation, relief and appreciation are all words that remind us of 2019. As we reflect on the past year, we are grateful for those that support us and enable us to provide programs and services that are so critically important to those impacted by cancer. When cancer strikes, we go to work—whether we are helping a mom tell her children it's going to be ok, providing a camp experience, putting gas in a car, or putting food on the table for someone that is no longer able to work due to a cancer diagnosis.

We are proud of the work we have done this year and are committed to being the premier resource for educational, emotional, and financial support for low-income cancer patients for years to come. We will be there when our friends and neighbors hear the words “you have cancer”. We will be there when they have to share those words with their family. We will be there to help them live well with cancer. No one should face cancer alone.

We are so grateful for the amazing support we continue to see from our dedicated donors including corporations, local businesses, foundations, individuals and people just like you. As we look ahead to 2020 and beyond, we are exploring new ways to lessen the financial burden of those facing cancer. We will leverage the strength of our current emergency assistance and emotional support programs as we challenge ourselves to help in broader and more impactful ways.

Thank you for allowing us the opportunity to serve this wonderful community. I hope you enjoy our 2019 in review.

With Gratitude,
